EDUCATION

UC Berkeley Haas School of Business

Berkeley, California

B.S. Business Administration

May 2019

Skills: Advanced Excel, Microsoft Word, Microsoft Power Point, and Python

GPA: 3.97

Coursework: Macroeconomics, Data Science, Probability and Statistics, Principles of Business, Financial Accounting, Multivariable Calculus, Finance, Analytic Decision Modeling, and Leadership

WORK EXPERIENCE

Matson

Oakland, California

Financial Planning & Analysis Intern

May- August 2017

- Increased the accuracy of Matson's mid-month estimate by designing variance models to visualize areas with the highest levels of historical error
- Identified trends within these errors to cultivate a more accurate mid-month estimate and annual plan
- Developed presentations used to inform those in attendance at the executive committee meetings
- Designed automated templates within our database saving employees hundreds of hours by minimizing manual input
- Trained and worked to transition other departments from excel to Matson's new database system
- Constructed monthly forecasts and updated monthly financial statements

Recreational Sports Facility

Berkeley, California

Sports Recreation Operations Unit

December 2016- July 2017

- Provided quality customer service by answering phone inquiries, taking court reservations, checking out equipment, and interacting with all patrons and staff in a courteous and cooperative manner
- Supervised sponsored events and managed the set up and take down of equipment utilized for the occasion
- Resolved routine conflicts and confrontations with guests

Shepperton Studios

Shepperton, England

Pre-Production Intern for Alice in Wonderland 2

July- August 2014

- Worked on budgeting for the film with John G. Scotti, the Executive Producer, and explored different departments such as props, stunts, costume, pre-visual design, and art
- Assisted the producer on finding departments which were padding their budgets, and helped make sure that ample amounts of supplies and equipment were paid for and ready on shooting days
- Manufactured props used in the film and constructed sets used for the ballroom scenes in Alice's bedroom

LEADERSHIP & COMMUNITY INVOLVEMENT

DiversaTech

Berkeley, California

Skylar Consultant

September 2017- Present

- Develop market strategies for Skylar, a company which innovates medical devices and everyday products geared to assist the elderly
- Regularly conduct market research on those who utilize the products in an effort to better their designs and increase their online compatibility for users
- Following our research and presentation to the board we will put our findings into action by further developing the app and implementing our changes to the products in conjunction with the research and development team

IMPACT

Berkeley, California

Master of Ceremonies & Academic Enrichment Advisor

September- November 2016

- Conceptualized lesson plans around social sciences to help teach children about topics surrounding history of Ancient Egypt covering everything from Egyptian language and architecture to their religious practices
- Revitalized the introduction and overall presentation of the opening ceremony for each week
- Spoke weekly and helped facilitate a class on the process of mummification

National Eagle Scout Association

Santa Ana, California

President

January- December 2015

- Organized fellowship events, spoke at annual banquets, and worked with sponsors to receive funding for the NESA scholarship
- Led monthly meetings, designed the budget, developed the annual calendar, and managed the board
- Created and led a service project to reconstruct a center stage at one of our Council Camps in an effort to give back to our organization while simultaneously creating a fellowship event for Eagle Scouts in Orange County.
